Solid oak wood

Solid walnut wood

Lacquered wood (solid ash)

*Base feet in lacquered stainless steel

**WOOD**

Oak

Walnut

SUGGESTED LACQUER COLOURS

Light blue

Bordeaux

Black

**CARE & MAINTENANCE**

Solid wood may become weathered or the fibres may rise slightly. Wipe clean daily using a well wrung cloth and clean water. Avoid using cleaners containing any type of chemicals. Wood should not be exposed to excessive heat, direct sunlight or humidity. Please note that due to its natural origin, wood varies from furniture to furniture in its veins and tonality. Over time, it will suffer natural aging.
