\*Feet in solid wood, structure in veneer

\*Option 2 doors

\*Option 2 drawers

### WOOD

Oak

Walnut

### SUGGESTED LACQUER COLOURS

Light blue

Bordeaux

Black

### CARE & MAINTENANCE

Solid wood may become weathered or the fibres may rise slightly. Wipe clean daily using a well wrung cloth and clean water. Avoid using cleaners containing any type of chemicals. Wood should not be exposed to excessive heat, direct sunlight or humidity. Please note that due to its natural origin, wood varies from furniture to furniture in its veins and tonality. Over time, it will suffer natural aging.
