

PRODUCT SHEET
OBRA PRIMA 09 Coffee Table

DESIGNER
Estúdio Obra Prima

YEAR
2024

PRODUCTION
Portugal

DIMENSIONS
W 209 × D 144 × H 35 cm

ASSEMBLY REQUIRED
No

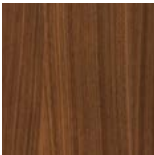

MATERIALS & FINISHES (options)

Solid oak wood
Solid walnut wood

Table top (additional options available upon request)
Travertine
Green river

WOOD

Oak

Walnut

SUGGESTED TABLE TOP

Travertine

Green river

CARE & MAINTENANCE

Solid wood may become weathered or the fibres may rise slightly. Wipe clean daily using a well wrung cloth and clean water. Avoid using cleaners containing any type of chemicals. Wood should not be exposed to excessive heat, direct sunlight or humidity. Please note that due to its natural origin, wood varies from furniture to furniture in its veins and tonality. Over time, it will suffer natural aging.

Natural stone may vary in colour, veining, texture, and porosity, which are inherent characteristics of the material. Clean with a soft, dry or slightly damp cloth. Avoid harsh or abrasive cleaners, prolonged moisture, staining substances, and extreme temperature changes. Wipe up spills promptly to preserve the stone's appearance.
